SCROG

REVOLUTIONIZING THE WAY YOU GROW!

CHANGE THE GAME

AND DOMINATE THE FIELD

An innovative industry requires innovative thinkers.

Who we are

We designed and engineered a global solution for the cannabis cultivation industry.

We are driven to eliminate the usage of synthetic netting in the indoor agricultural space.

We intend to service a worldwide marketplace for commercial and retail cannabis growers within the next 24 months.

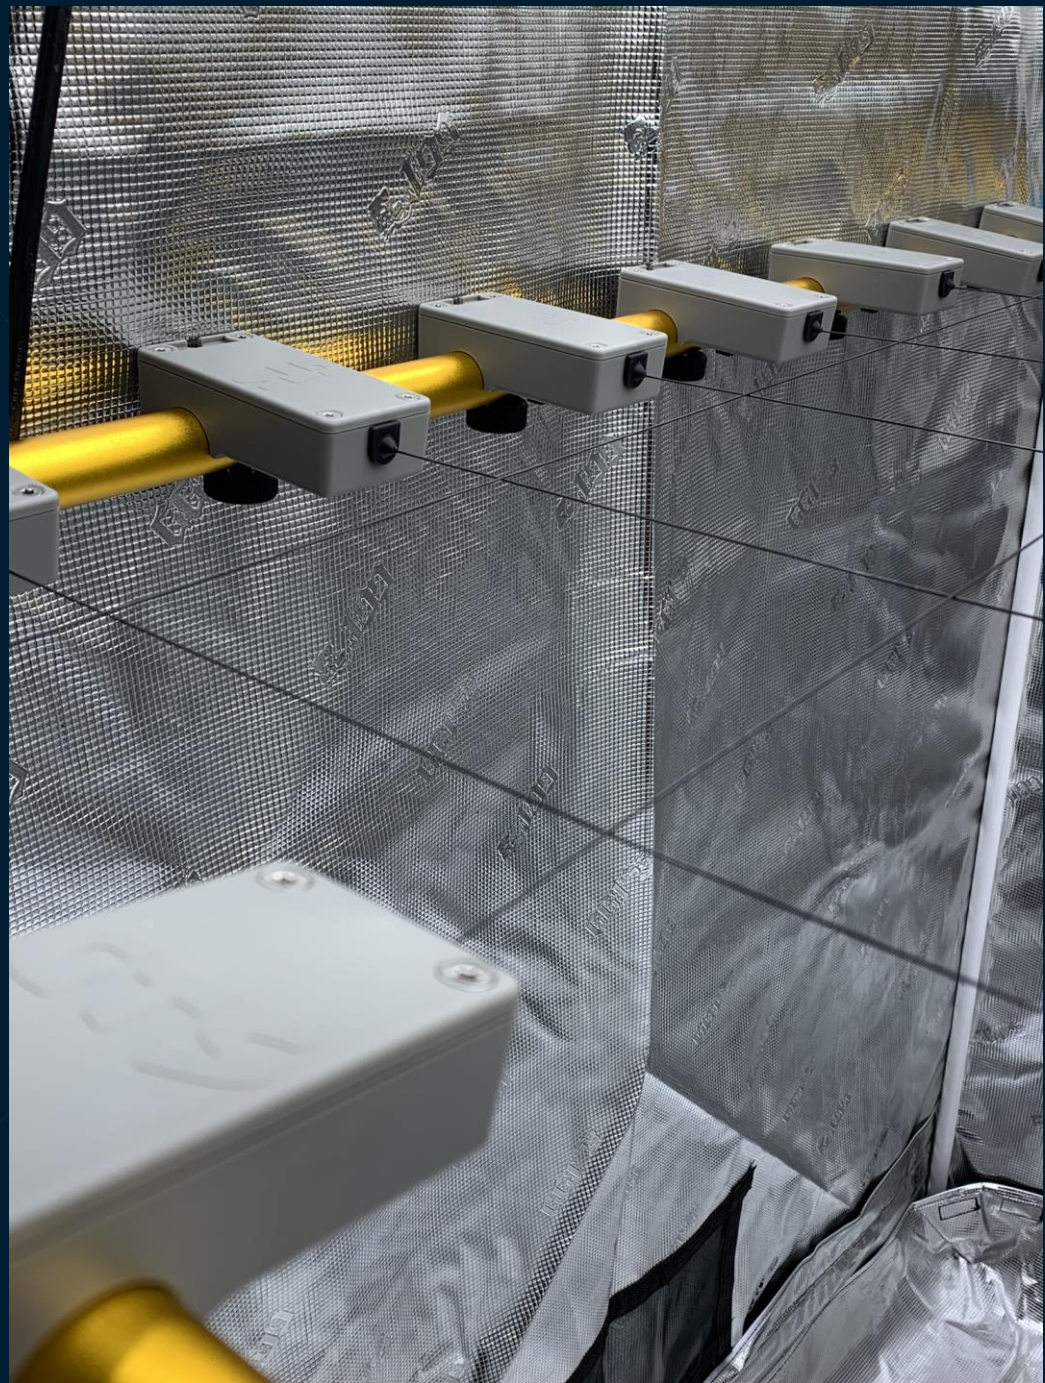

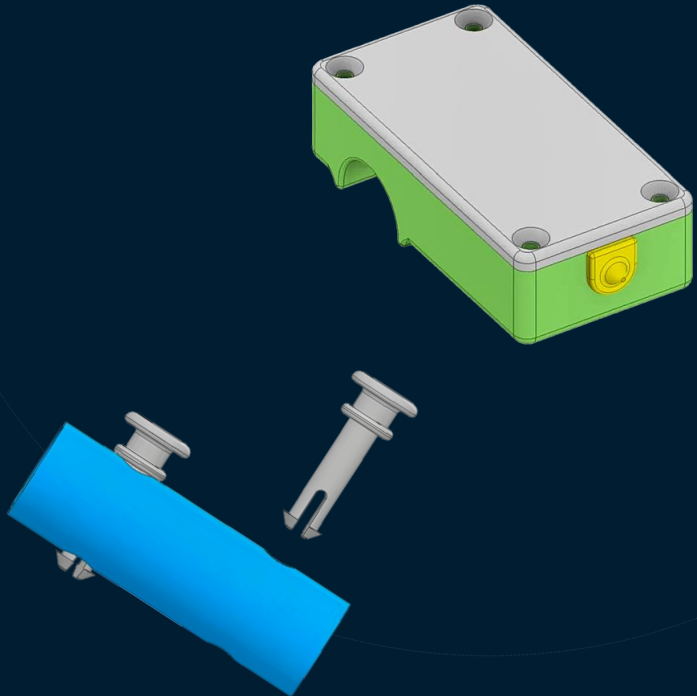

VISION & MISSION

Our mission is substantial; we intend to eliminate the antiquated practice of trellising cannabis plants with synthetic netting, by leading a movement to modernize trellising systems.

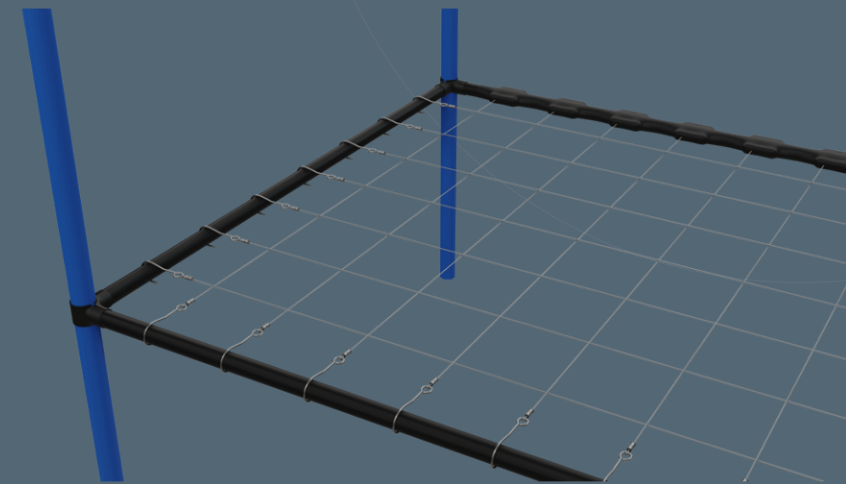

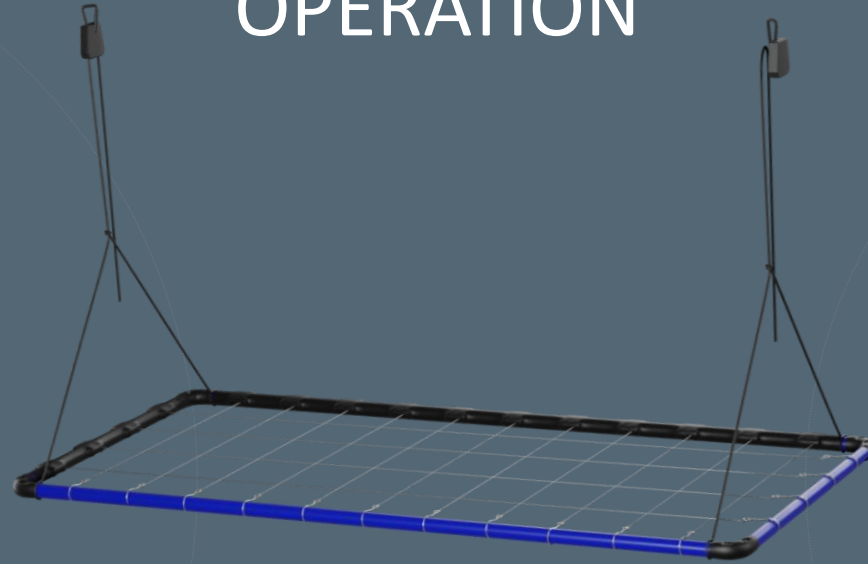

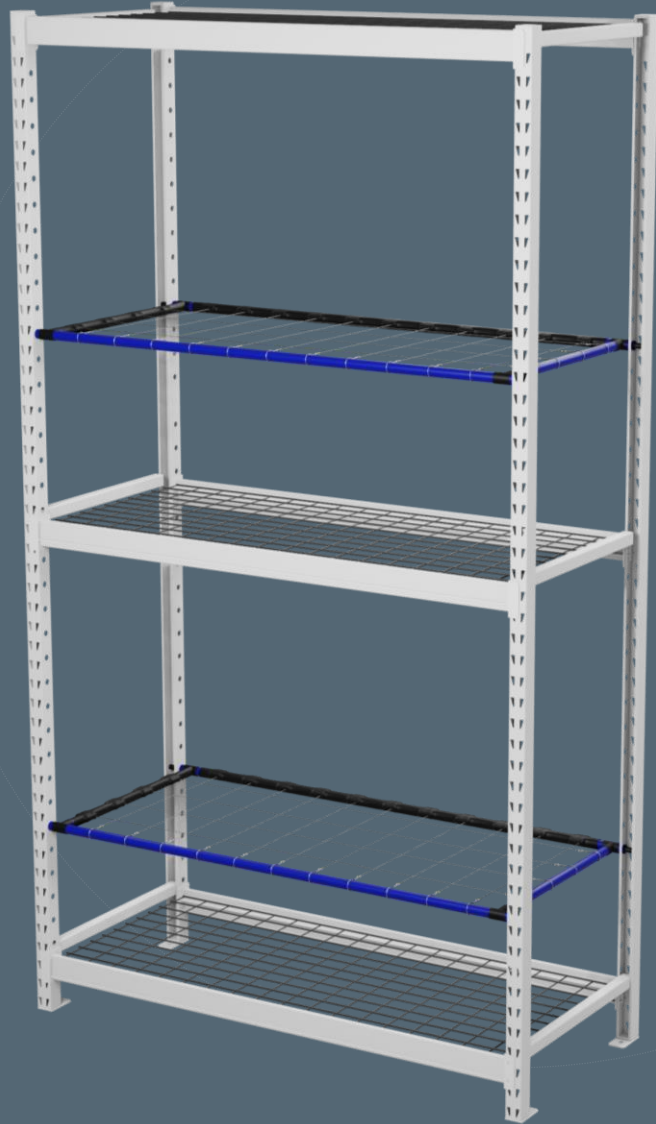

We envision millions of home growers and commercial facilities worldwide adopting a new Greener Standard of Excellence to enhance their operating procedures.

Hi Sahil,

I spoke with DJ yesterday and he sent the info along about Green Tree Scrog. Nick and our team here would like to start the conversation regarding a business partnership with Green Tree Scrog and how that might look. I've cc'd our group on this email.

I'll let you guys take it from here! Thank you!

Grow Strong,
